Who will forget the inspirinig climax to the "Juggler of Notre Dame" presented by the Dance Club early in the Christmas season?

This beautiful nativity scene took the place of the annual village Christmas tree.

In an earlier scene, the gay juggler performed for an appreciative group of villagers.

With open mouths, the Junior High Glee club and Miss House sing Christmas Carol's with great gusto.

Tomatoes, beans, and carrots were among the canned goods which served as admission to the Girl Reserve Thanksgiving Can Dance.

The Hi-Y penny drive again went over the top, giving over \$250 this year to the Red Cross.

ORGANIZATIONS

Gilbert and Sullivan's "Trial By Jury," as presented by the Mixed Chorus, was a happy combination of humorous and romantic incidents.

In addition to their Spring Concert, the A Cappella Choir contributed the vocal music for Dickens' Christmas Carol.

Besides their formal concerts, the band plays at both football and basketball games.

About a dozen girls gave their time this year as junior Nurse's Aides at St. Michael's hospital.

Early in the fall the social chairmen sponsored a drive to collect junk jewelry.

Once again we had our annual Hobo Day.

ORGANIZATIONS

"Quality Street", this year's classic, gave the Dramatic club an opportunity to provide us with an entertaining evening.

Looking to the east with thoughts of our boys who have served and are now serving far from home.

This year the Girl Reserves, as one of their projects, sent Christmas gifts to Japanese girls in relocation camps and made many useful articles for veteran hospitals.

Mrs. Hugunin, in teaching the Home Nursing class, made use of the ever patient Mrs. Chase.

Again this year a gala time was had at the girls' Prom.

Transportation was one of the many practices learned in the First Aid work of the physical education classes.

As in other years, the German club sponsored a dance at Arnold Hall during Christmas vacation.

Problems concerning present day world affairs were discussed before the student body by panels from the various social studies classes.

ORGANIZATIONS

Once again Miss Hollyman conducted our orchestra through a successful season.

The typing corps had an important part in the Civilian Defense work.

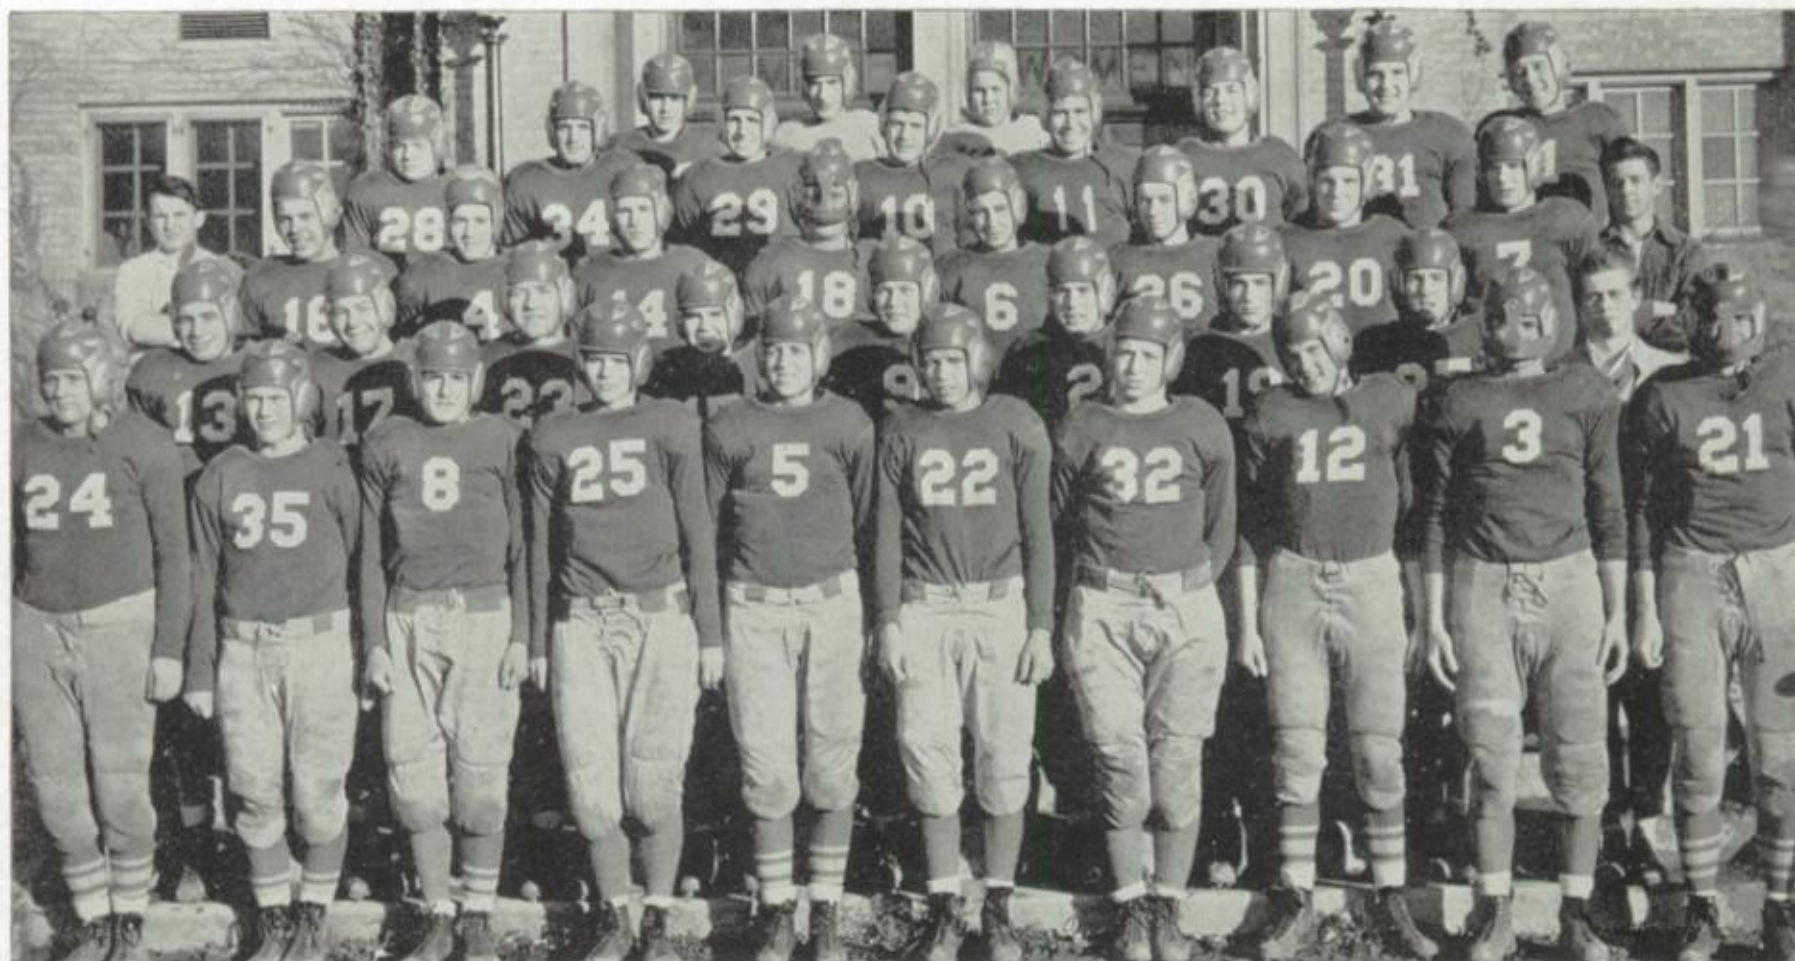

Aiding in our Civilian Defense effort, the Majors and Block Captains delivered necessary information and notices throughout the village.

Organized early in the year, the results of the Waste Paper drives have been very successful.

The sorting and preparing of material for distribution was done by members of Mrs. Palmer's freshman business class.

Track

The 1944 track was strong in the high hurdles, sprints, and broad jump, but lacking distance men and outstanding performers in the field events, the Greyhounds were unable to rank higher than fourth in the suburban conference. Outclassed in league competition, the cinder-men took fourth place in the suburban relays, fourth place in the sextagonal meet in Racine, and won another fourth in the pentagonal competition at Wauwatosa.

Outstanding performer of the suburban conference was Ralph Welton, 100 and 200 yard dashman, who also broke the state record in the broad jump at the suburban relays held at Whitefish Bay (distance, 23' 1/2").

BACK ROW: Jim Welch, Chuck Brynston, Glenn Stolz, Jim Whittet, Bob LaBudde, Jim Heller, Bill Jassoy, Tom McCabe, Bob Pykett. FRONT ROW: Marsh Staunton, John Lupton, Bob Schlossman, Ken Rosenthal, Fred Mayer, Tom Miller, Bill Mueller, Jack Lungmus.

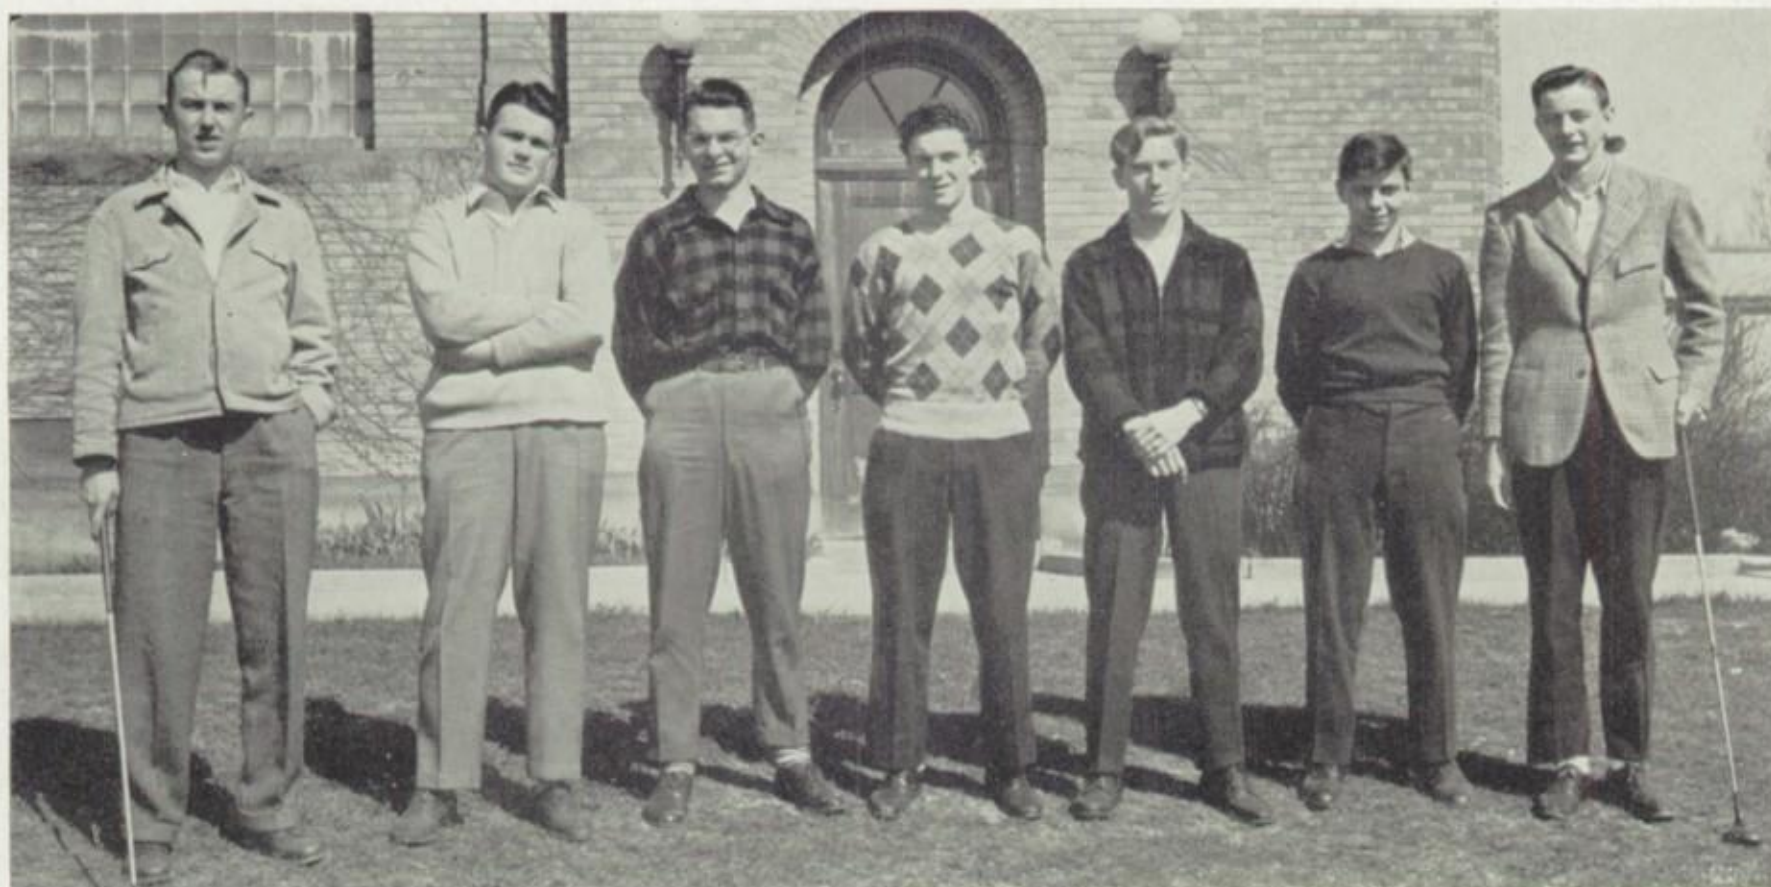

Tennis

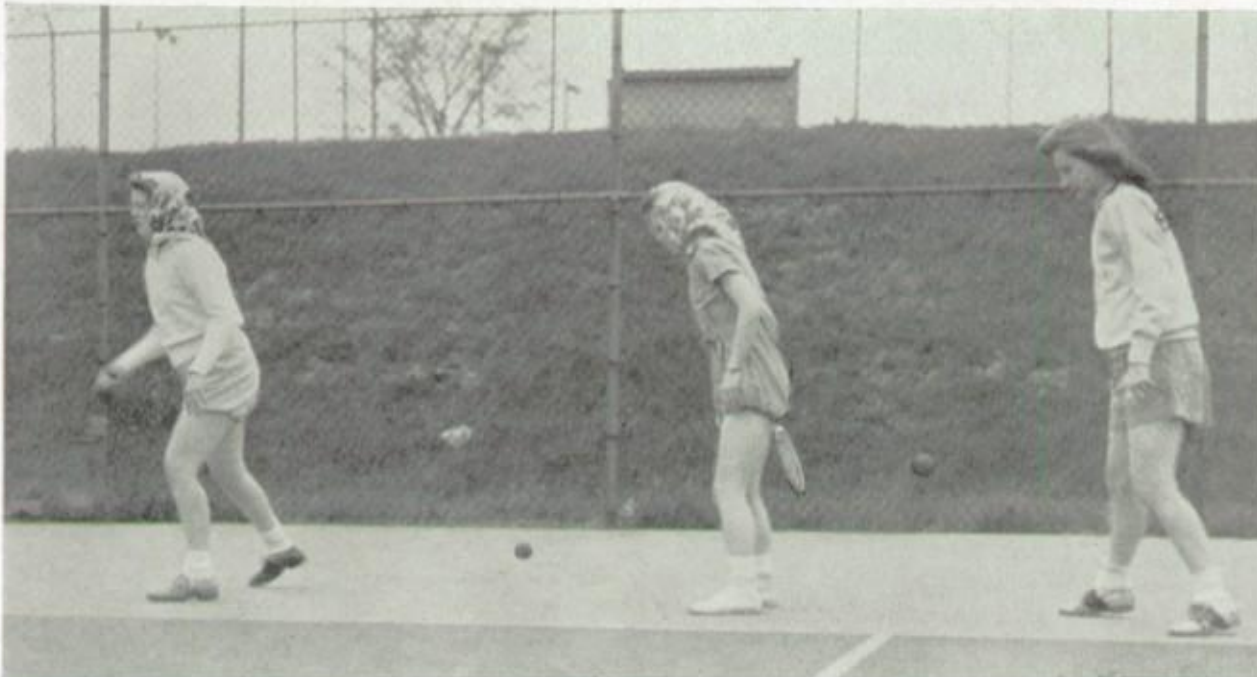

Our '44 racqueteer squad under the leadership of Coach Bill Olson had a successful tennis season defeating East, Rufus King, Wauwatosa, Cudahy, West Allis Central, West Allis Hale, and South Milwaukee; and bowing in defeat to Lincoln, Whitefish Bay and Waukesha. Two Greyhound singles players and one doubles team entered the state sectional tournament held at Wauwatosa.

Golf

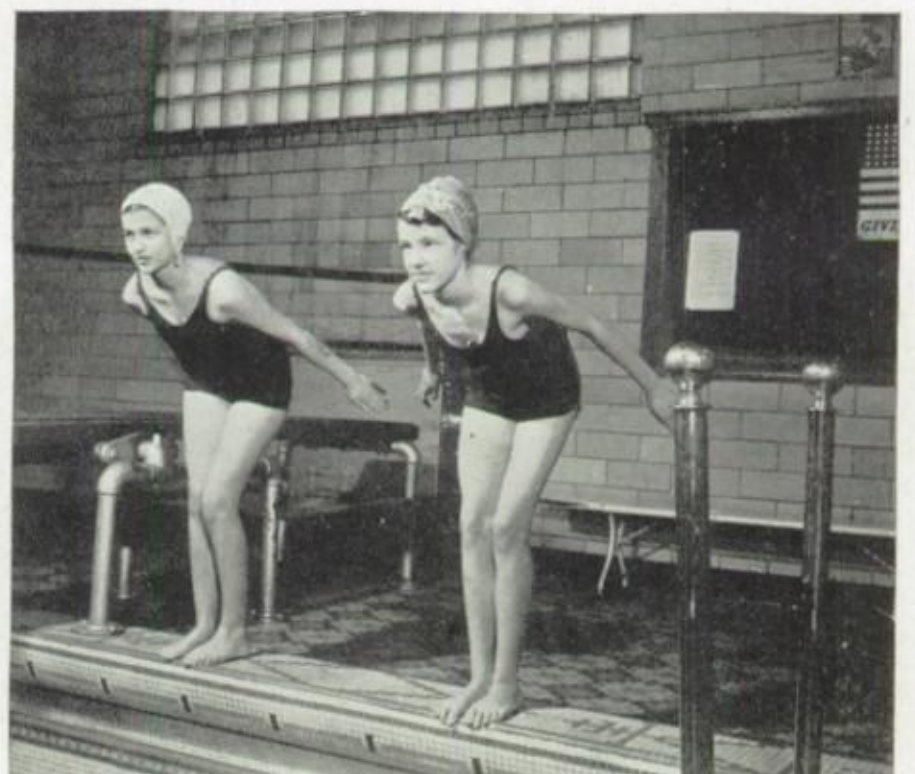

Greyhound divot diggers, under the tutelage of Coach "Ole" Gunderson, will strive to recapture the suburban crown lost to Nathan Hale last year. Power-laden with a veteran squad, Crimson teetoppers showed promising form by winning early dual meets from Rufus King, East, and Whitefish Bay.

Tom Larkin, Stuart Allen, Roger Kuehl, Bob Deahl, Ed Higgins, John Balthes, Elmer Jaeger.

Girls' Sports too, are important in Shorewood life for we also play basketball, baseball, volleyball, soccer, archery, golf, badminton, and field hockey.

SENIORS

ROSEMARIE ACKER

Entering Shorewood High in her freshman year from Holy Redeemer school, Rosemarie preferred to avoid most extra-curriculars. Even though Dramatic club has been the only activity in which she has participated, "Roxie's" hobbies are numerous. Swimming, dancing, reading, and going to good movies have all claimed her interest.

BABETTE AGULNICK

"Babs" is that quiet little girl who has really done things since entering Shorewood as a sophomore. She immediately jumped into dramatics and the following year became war conscious and helped by being a block captain, a Nurse's aide, and doing Home nursing. In her senior year "Babs" was a Ripples reporter.

JOHN ALLEN

"Blackie" Allen is really "jivin," not only when some "solid sending" music is heard, but in Ripples and Hi-Y. He was homeroom secretary in his junior year and social chairman in his senior year. "Blackie's" real likes lean toward drumming the "hot skins." St. Roberts was his "training school" until 1941.

STUART ALLEN

Out under the blazing sun is where you'll find Stu, for he is one of the foremost divot-diggers in the senior class. Four years of tee-topping under Ole's supervision, the same period in dramatics, and two years each of Hi-Y and Building and Ground monitors make up his high school extra-curricular career.

DANIEL ALBERT

Dan is one of those faithful Shorewoodites who spent four years in dramatics, acting his way to stardom. He has been a social chairman, a monitor, a member of Hi-Y, National Honor, Quill and Scroll, and a staff member of both Ripples and Copperdome. His hobby is swimming and for three years he was a member of the swimming team.

LENORE ALBERT

Basketball, soccer, baseball, swimming! "Sis" has her main activities centered around these fields. A valuable Dramatic club member for four years, and a sports and Life Saving member for three years, shows that she has been an active participant of these organizations. In her senior year she became a member of Home nursing.

MARGARET ANDERSON

"Maggie," the girl with the jovial smile, arrived in 1940 from Eskilstuna, Sweden. A faithful member of Dramatic club for four years, she joined Sports as a freshman and Girl Reserves in her sophomore year. While a junior and senior she rounded out her program by serving with monitors and Home Economics club.

MARIBETH ANDERSON

Since entering from Hillcrest girls school in '39, "Mike" has found her main interest to be swimming, as she was a two year member of Life Saving. Ripples and social chairman completed her extra-curricular program. Movies, eats, reading, art, writing, and music are all hobbies Maribeth claims she enjoys.

GLORIA AUERMILLER

Entering Shorewood from Atwater in 1938, Gloria has been an ardent member of senior Home Economics for four years. Art and designing go hand in hand for she designed the village Honor Roll for servicemen. Stage plays and ushering at the Pabst took much of Gloria's time.

PATRICIA AUSTIN

Curly-headed, dark haired Pat is one of the girls that makes a really grand school. A charter member of the Nurse's aide group, Pat did not limit her responsibilities, therefore Girl Reserves and Sports added more. Horseback riding and hunting finished Pat's program in good fashion.

DUANE AYERS

"Dee's" friendly personality has been with us since entering from Lake Bluff in '38. A three year member of Student Council plus a mainspring on the football and hockey teams shows us Duane's diversified program. He also claims that there is nothing better than a good hunting trip.

MARGUERITA AYLWARD

Entering from St. Robert's in her freshman year, Marge has had no trouble in adjusting herself to Shorewood high school. Her riding ability encouraged her to become a member of Riding club for two years. Stage crew will miss Marge for she has been a wonderful worker and "Johnny On the Spot" for four years.

FRANK BARCLAY

Franklin school sent us "tall, dark, and handsome" in '38. He pursued his interests in sports and the stage by joining Dramatic club and the football team. In the latter he gained a letter in his senior year for his outstanding work at the guard position. Frank also served as a block captain.

LOIS BARTHLEMESS

"Lolie", a quiet blond, came to Shorewood in 1938. Busy with her studies, "Lolie" did not join any activities in her freshman year, but during her remaining years she found time to join A Cappella choir and Nurse's aide for two years. For her amusement Lois says that she enjoys dancing and singing.

JAMES BAMBERGER

"Beaver's" the fella with music in his heart, for he's been blowing his clarinet in Band for three years. Hypo, developer and flash bulbs are key words in Jim's vocabulary, for he's an ardent camera fan, often taking those special candid shots. Jim's quiet versatile manner gained for him a large roster of friends.

LUTHER BAUMGARDNER

Hailing from Indianapolis, Indiana, "Luke" has found a place in Shorewood life, concentrating on the Biological Garden since his junior year. HiY, Student Council, Dramatic club and a two mile thin clad have completed his extra-curriculars. In Luther's spare time, you'll find him experimenting with plastics.

SENIORS

BEVERLY BECKER

Beverly, or Becky, to everyone, steered toward dramatics, Sports, Girl Reserves, Riding club, and Life Saving from St. Roberts in '41. Coming to a grand climax in her senior year, she added Copperdome and Ripples to her already long list. As anyone can tell, her hobbies are sports and like all women, talking.

ANNE BELKNAP

"Hobby Anne" spends most of her time collecting miniature shoes, drawing, and playing the piano. In her spare moments she found time to be in Mixed chorus, Cub Reporters, monitors, Ripples, World Citizen's club, Science club, and National Honor Society. "Nancy," which is her nickname, also served as a block captain.

CLARICE BERCEY

Four years of active participation and a summer scholarship at Northwestern in her junior year shows why it might be said that "Ecy" and dramatics go hand in hand. In her sophomore year she joined Sports and Home Economics and the following year become a member of Girl Reserves. Clarice was also a block captain.

MELVIN BERNSTEIN

W9WZS, W9WZS. These are sweet words to Mel, as most of his spare time is devoted to pounding the clicker set. His interest in this field prompted him to join Radio club, of which he was a member for three years. Mel's other extra-curricular was one year of Science club, which supplemented his work in this field.

DAWN BERRES

Dawn, versatility itself, may be seen scooting about the campus almost any time of day, for her interests really get her around. Always a loyal and diligent member of all her activities, "Red" has participated in Mixed chorus, social chairman, Girl Reserves, Home Economics, and dramatics. Her favorite hobby is playing the marimba.

AUDREY BERT

Four years of Mixed chorus and Sports, three of Girl Reserves, two of Life Saving, Hall monitors, Nurse's aide, Leaders club, and one year of Home nursing, comprise Bertie's active high school schedule. During vacation months Bertie longs for the "aqua pura" as she is an ardent swimming and sailing enthusiast.

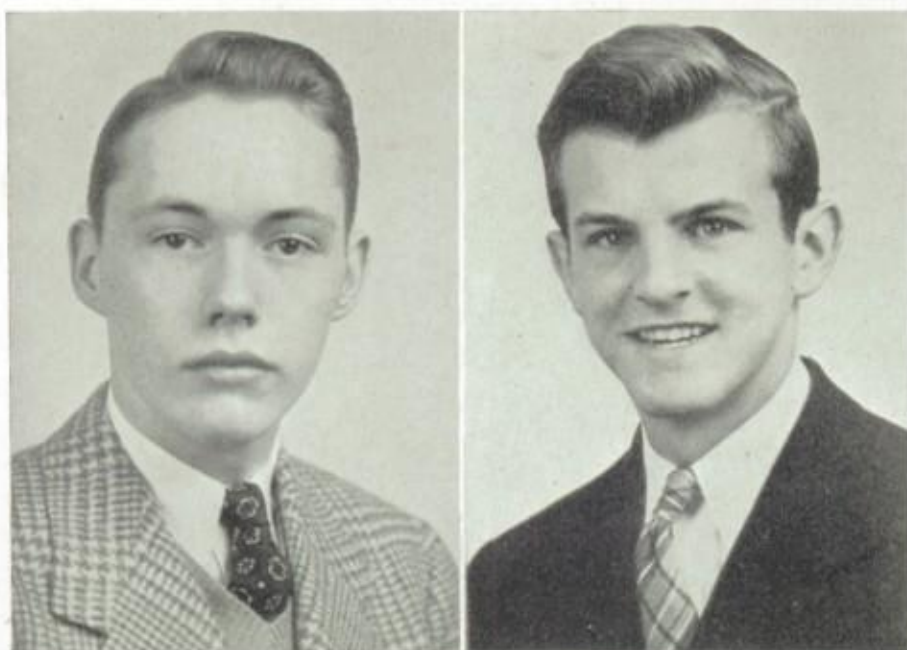

JOAN BEUTELL

Rating tops with everyone, "Boopie" has been an outstanding cellist of the Orchestra for four years. Her interests in Student Council, Sports, Leaders club, Copperdome, and monitors, as well as her presidency of Girl Reserves, show that she is an all around activity girl. Joan also found time to be a major in civilian defense.

FRED BEUTLER

"Beetle" is a man of many interests. Besides being a superior student, "Beetle" was a valuable member of Orchestra for four years, participant in Stamp club, Math club, Hall monitors, and Camera clubs. Nevertheless he managed to spend considerable time engaging in his favorite hobbies of woodworking and Boy Scouts.

ROBERT BLACK

Singing his way through high school might be said of Blackie, who has been a four year Mixed chorus baritone. Bob was elected to the job of librarian by his fellow choristers. Camera club was taken on by Blackie in his freshman year but cars, his hobby, overshadowed his first ambition.

WILLIAM BLOCKER

If you happen to stroll by the band room and hear the sweet strains of a clarinet, don't get excited, it isn't Artie Shaw, it's just "Dutch" aspiring to be a second Benny Goodman. Bill entered Shorewood from Chicago in the spring of 1943, so one season was the extent of his participation in football.

WALTER BODE

Assuming the name "Spider", Walt was often seen on the campus surprising his friend with some of his practical jokes and tricks, for magic is his favorite hobby. "Spider" entered Shorewood high from Steuben junior high school as a sophomore and completed his schedule here with two years of Band as a drummer.

ALFRED BOERNER

Entering our campus in the fall of 1942, from Custer high, Al took advantage of our extra-curricular program. Dramatics and football were where his main interests centered, but he also found time for intramural sports. Outside activities on Al's list include nature study and an avid interest in Greyhound athletics.

BETTY BOLLN

Entering in '42 from Douglas, Wyoming, "Bollie" pursued in her favorite hobby, singing, and joined Mixed chorus. Girl Reserves and Sports rounded out her extra-curricular program. Donning a nurse's uniform in her spare time, "Bollie" works as a Nurse's aide. Long hours of reading and horseback riding complete her hobbies.

BOB BURTON

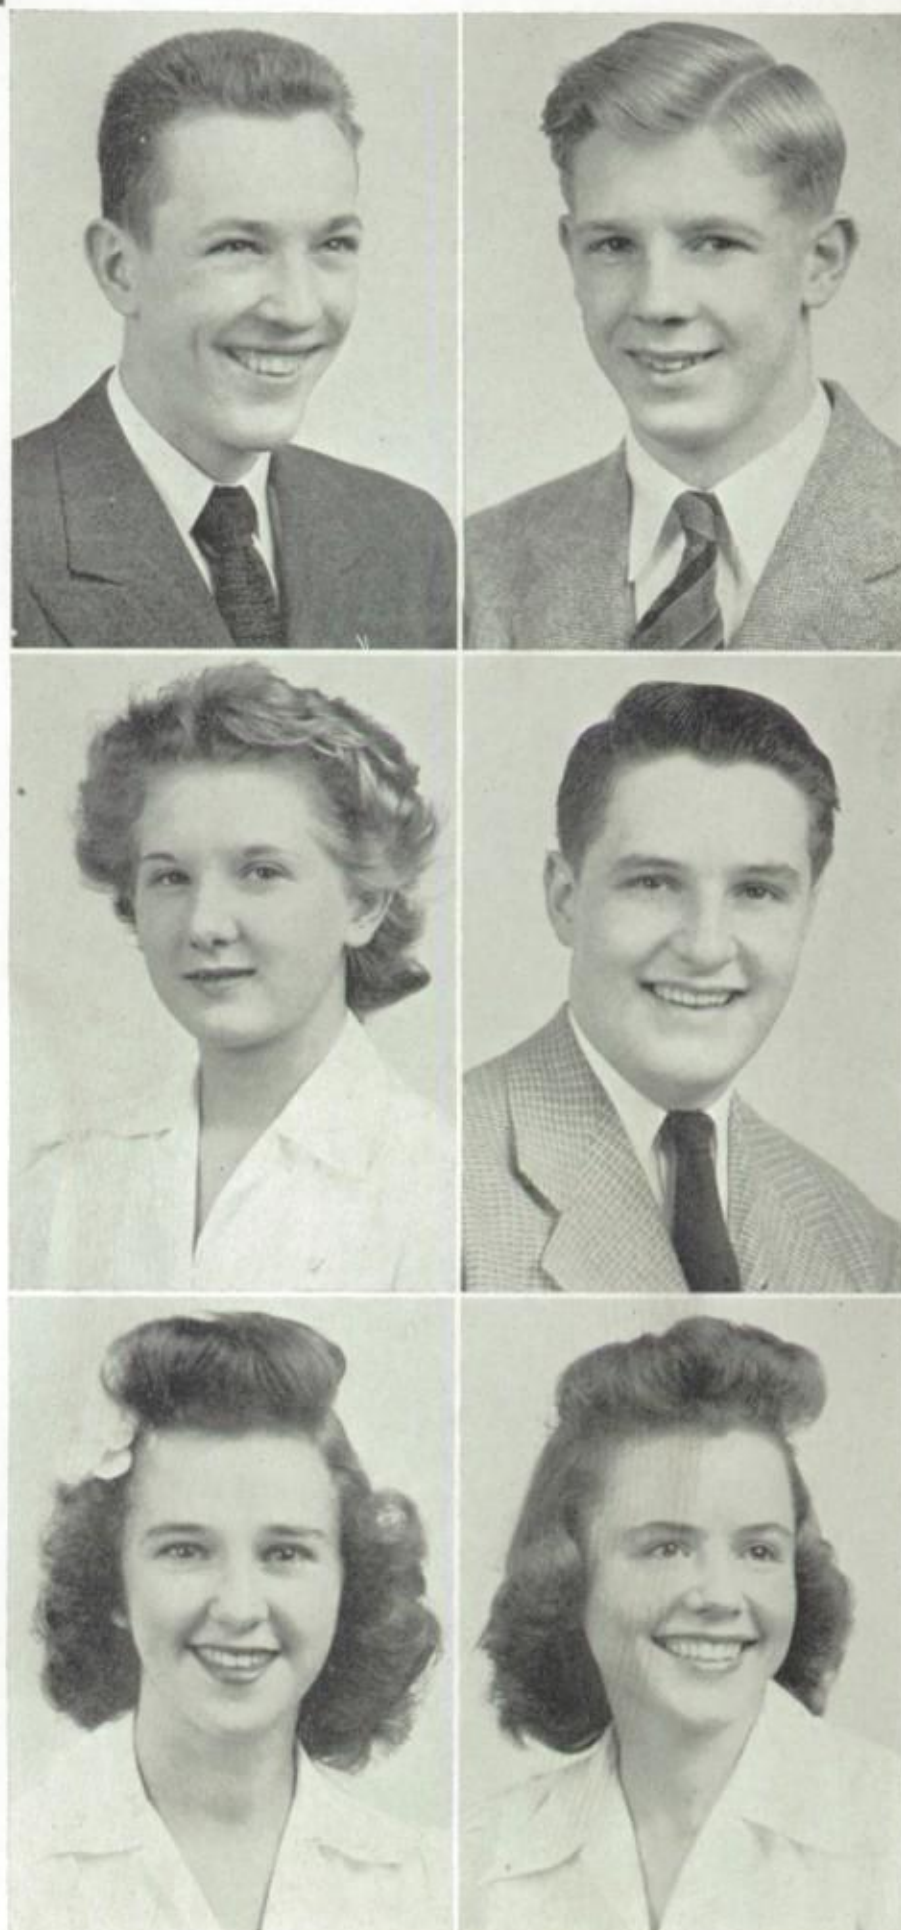

"Tub" has been an outstanding tackle on the Olsen-Johnson aggregation for the past three years for which he garnered two letters. He was out for basketball and track as a sophomore and junior, but dropped them in order to "beat out the skins" in a swing band. "Tubby" has also been in Hi-Y since a sophomore.

SUZANNE CARTER

It didn't take Sue long to get into the swing of things at Shorewood after vacating the territory of the Blue Dukes in '42. Suzy joined Dramatic club where she proved an efficient and dependable worker. In her senior year she was selected a social chairman and elected to the National Honor Society.

DOROTHY CAYTON

Petite Dot, sweet and reserved, isn't known by many but those who have been lucky enough to be her close friends can truly testify that Dot's really something. Dancing and sports have dominated her interests and during her junior year, Dot was a loyal participant of A Cappella choir.

SENIORS

JOHN O. CHAMBERLAIN

Since entering as a sophomore from St. Robert's, "J. Orrin" has really found a place in Shorewood's extra-curricular life. Participation in football, Hi-Y, Hall monitors, social chairman, and Dramatic club shows Jack's well-rounded program. A good game of football or basketball always captures his interest.

RICHARD CLEAVELAND

"Cleavie's" interests center around photography. Since his sophomore year he has been a member of the Camera club where he has specialized in doing work for the Ripples and Copperdome. He was also a two year member of Radio club, joined the Copperdome staff in his senior year, and was a member of Quill and Scroll.

JUDITH CLINTON

We all know Judy with her friendly smile, her familiar "Hi", and her winning personality. Judy "hits the spot" in every thing she does. Definitely a Shorewoodite, Judy entered her high school days in 1938 from Atwater. Not losing any time, she quickly checked in with Dramatic club, choir, and Copperdome.

CHARLES COFFEY

Chuck waited until his junior and senior years to get into the swing of things when he became a member of the cross country and track teams, participant of Dramatic club, and reporter for the Ripples. Besides pursuing his favorite hobbies skiing, golfing, and aeronautics, Chuck found time to usher for the Shorewood Opportunity School.

HAROLD A. COHEN

Harry is a quiet person who has been with us these past six years at Shorewood high. His love interest has been the swimming team on which he has participated for the last three years. Aside from his favorite sport, swimming, Harry devotes a lot of time to another of his interests, drawing.

SALLIE COLLINS

"Irish" joined our ranks in her senior year when she bade farewell to the Blue Dukes of W. F. B. While under the blue and grey, Sallie participated in Girl Reserves, choir, and Sports. Since entering Shorewood, "Irish" hasn't joined any extra-curriculars, as drawing takes up all her spare time.

RUTH COTTRELL

Cotty's interests turn to music and sports, for she's been a participant of both Orchestra and Sports for four years. She's been in Girl Reserves for three years, and was chosen as a member of National Honor and Quill and Scroll. Ruth also participated in Leaders club, Ripples, and civilian defense.

DAVID DAVIDOFF

Dave's main interests are in science and music. To witness, he was in Orchestra and Science club for four years. Not slighted, however, were his many other activities. These were Hi-Y, cross country, Ripples business staff, track, intra-mural basketball, National Honor Society, and one year of volleyball.

ROBERT DAVIS

Bob came to us in his freshman year and quickly made himself known for his fine running and sprinting. Besides being a two letterman in cross country and track, Bob was a Hall monitor for two years, and participated in Dramatic club and Hi-Y during his final year at Shorewood high school.

ROBERT DEAHL

Bob will be best remembered for his blazing performances on the golf links, where he has been a letterman for three years. When not on the fairway, he may be found playing the licorice stick in Band, participating in Hi-Y, or pursuing his favorite hobbies, scouting, drawing, and woodworking.

DORIS DE LEON

From Evansville high school, Doris entered Shorewood early in her senior year. In her former school, her activities included G. A. A., Mixed chorus, Dramatic club, and the school paper. She did not continue her extra-curriculars here, but she retained her interest in her collection of pictures and odd perfume bottles.

ELIZABETH DI FRANCES

"Liz" is a small girl with a large selection of hobbies. She swims, dives, dances, and sings like a professional. Bette sang with Mixed chorus in her freshman year and with choir in her junior year. She was also on Ripples staff as a junior but no extra activity could claim her interest the other years.

GEORGE DONOVAN

Nothing held "Pat" back from pursuing his hobby of sports. George has been a four year man in football and basketball and a track man for three years. He has also been president of the Building and Grounds committee, a Hall monitor, a three year Student Council member, and tried dramatics in his freshman year.

JACQUELINE DORN

Jackie entered the sacred corridors of Shorewood high school from Wichita, Kansas in ninth grade. She has devoted most of her spare time to dramatics, while Girl Reserves, block captain, Copperdome, and the typing corps rounded out her extra-curricular program. Sewing took up the rest of Jackie's time.

JOHN DOYLE

It's a touchdown! Doyle over for another score! That's our all suburban Jack who has held the fullback spot for the past three years. Besides being all-conference back and high scorer, "Fats" had time for hockey, track, Student Council, social chairman and the Student Attitude committee.

JANE DRENGENBERG

You don't hear much about Jane, but you can rest assured she's around. This can be proved by her quiet, sincere manner plus excellent work in office practice. Working after school has taken all of Jane's time, preventing her from joining any extra-curriculars since entering from Carleton in 1940.

SENIORS

HELEN MARIE EGGERT

"Eggy" has really followed her hobby of music at Shorewood, as she has been a three year member of Mixed chorus. Besides singing, she enjoys playing the piano. Girl Reserves, National Honor Society, and the Ripples editorial staff, of which she was make-up editor, rounded out Helen's extra-curricular program.

DIANE ELSOM

"Dee" launched her Shorewood high school career with Sports and dramatics in her freshman year. In the years following, came Girl Reserves, Copperdome, and choir. Active is "Dee's" middle name when it comes to sports. For anything from a smooth canter across the fields to a rugged game of field hockey is to her liking.

MARJORIE ERICKSON

Sports and music are tops as far as "Midge" is concerned, for she has been in Leader's club, girl's Sports, and strumming on a violin in Orchestra since a freshman. Her other activities included Girl Reserves, Home Economics club, and Copperdome. In her senior year she received the National Honor award.

BETTY FASS

Betty's ability at wielding any type of racquet is evidenced by her high standing in both tennis and table tennis. Her interest in sports carries over to school where she has been active in Leaders club and Sports. Betty has also been a member of Science club, Copperdome, and National Honor Society.

HELEN FAUST

If ever you see looks of envy, you can be sure they are for Helen's beautiful blonde, curly hair. Art has been "Blondie's" hobby since she entered Shorewood high school from Maple Dale school in 1940. As a senior Helen was one of our loyal Hall monitors and a member of the Life Saving club.

JOHN FAVILLE

Johnnie entered our portals from Riverside high school in his freshman year. During his stay here he has been a member of Camera club, Student Council, Band, Orchestra, Hi-Y, and Hall monitors. Besides playing the trombone while pursuing his hobby of music, he also devoted a lot of time to his model A Ford.

HAROLD FEHLHABER

Harry came to Shorewood in 1940 from St. John's Lutheran school. The Dramatic club snared Harry in his freshman year, but outside of that he evaded all other extra-curricular activities. He flashed to school in his shiny new "chevy" and spent most of his lunch hours playing cards in the cafeteria.

CAROL FILTER

"Fil's" extra-curricular activities are strictly musical. Along this line, her main hobby is collecting swing records. In addition, he was a letterman in cross country and a social chairman during his senior year. His hobbies are stamp collecting and photography.

DONALD ROSENTHAL

Don's a natural at photography, for he's busy at it both in work and play. He also had time for extra-curriculars, joining Stamp club as a sophomore and Camera club as a junior. In his senior year Don tried a hand at Dramatic club and also had time for work as a block captain.

LOUISE ROVE

During every spare minute "Weasie" can be seen with knitting needles and an angora sock nearing completion. In her sophomore year she was a Girl Reserve, served her home-room as social chairman, and in junior year was a big sister. She also wore the maroon and grey robe of Mixed chorus for three consecutive years.

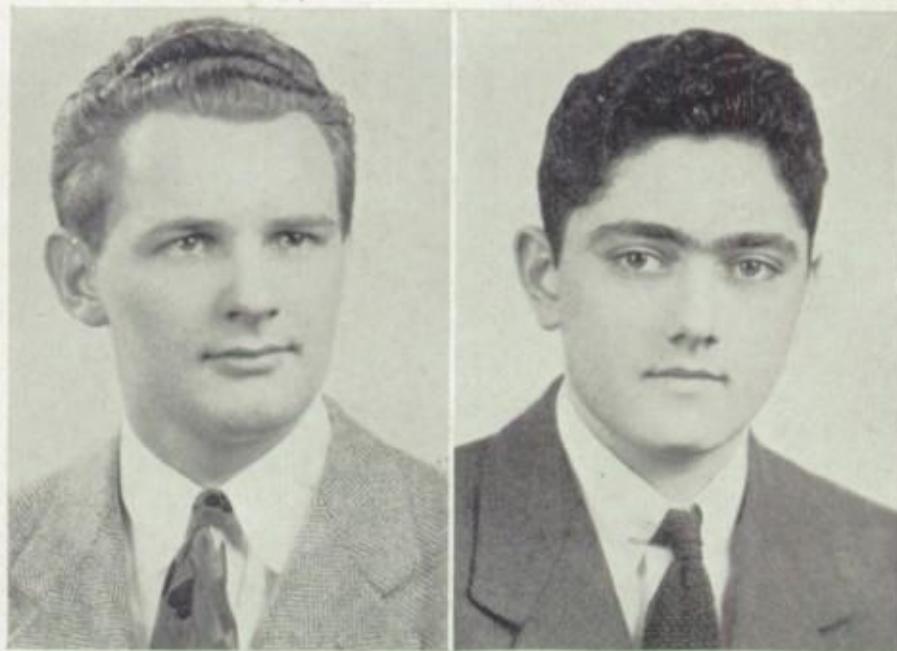

SENIORS

GENE RUBY

"Swede's" interests have been wholly absorbed by sports since he entered from Washington high as a freshman. Jovial Gene immediately donned a football uniform, worked at the tackle position, and gained a letter in his senior year. "Fats" is also a flash on skates and he proved to be a stalwart goalie on the hockey team.

ROBERT RUBY

Hyde Park high in Chicago certainly lost a personality when "Fifi" entered the portals of Shorewood as a sophomore. After getting acquainted he joined Dramatic club and has been a steady participant ever since. He's also a standby of the intramural basketball team. We recognize him as one of those active class members.

RITA M. SANTACROSE

Chasing high "C" through four years of Mixed chorus and holding a lead in several of the operettas, marked "Reets" as a vocal enthusiast. For four years she has also lent her talents to Sports, and for three years to the Girl Reserves. To top off her extra-curriculars she joined senior Home Economics club as a senior.

RUTH SCHAEFER

Although not a Shorewoodite until September '43, "Butch" has become well known. In dramatics she took bit parts, doing them well and proving her enthusiasm. Roller skating and sports are her hobbies, proved by her many pins and gadgets. Although Chicago was Ruth's former home, she's a loyal member of the Red and Grey gang.

DETTE JANE SCHANGLIES

A full program of activities including Copperdome, Sports, Girl Reserves, Student Council, major of Civilian Defense, Quill and Scroll, and feature editor of the Ripples has kept Bette busy. By keeping a scrapbook of school activities and attending athletic events, "B.J." kept up the morale of football and swimming boys.

JAMES SCHEINFELD

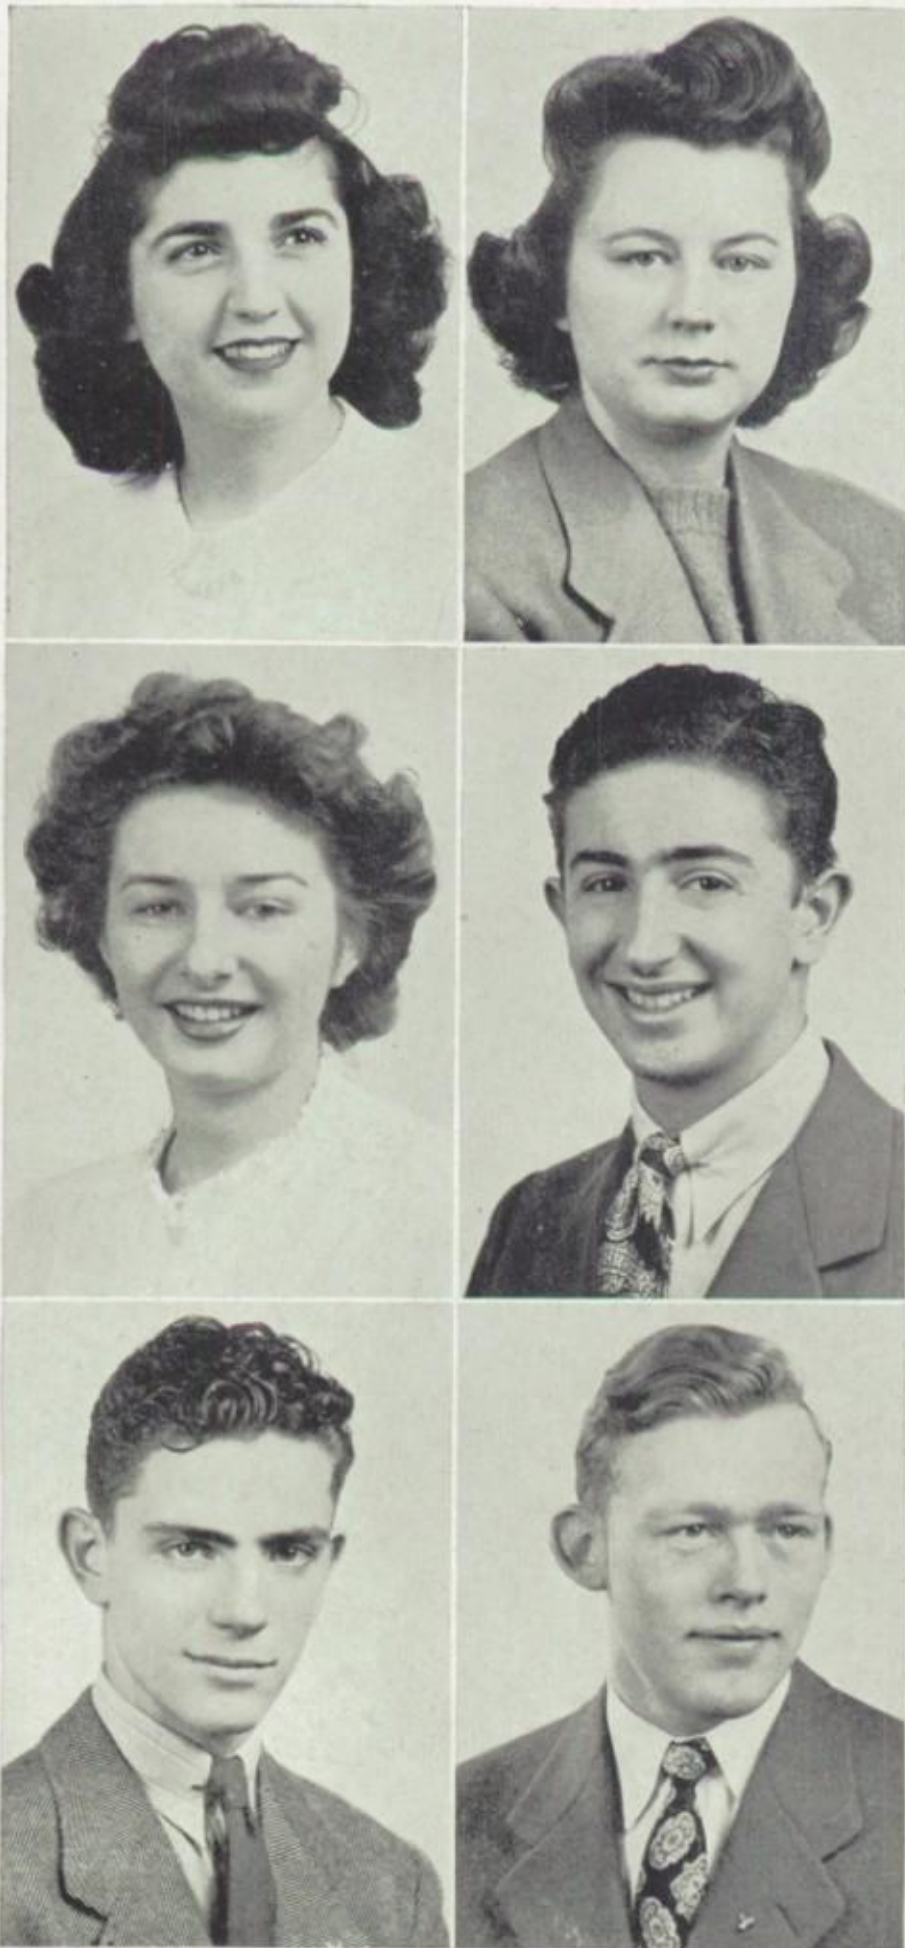

"Rug cutting" on the dance floor or slapping those symbols is the sort of a jive life that Jim leads. He entered from Country Day in 1942, and with an "on the beam" spirit jumped right into Camera club and Ripples staff. Besides those two favorite activities, Jim really enjoys fishing for those three foot muskies.

RICHARD SCHEIFE

Dick left the Blue and Grey in favor of the Red and Grey in September, 1943. Hunting and collecting guns are his hobbies, and working a split shift at Delta Manufacturing Company took almost all of his time. He joined the Army Air Corps in October, 1943 but stayed with us until February, 1944, when he went into training.

SANDY SCHMITT

Sandy may be seen driving around in his model "A" convertible when he isn't in school. A member of Science club during his freshman and sophomore years, Sandy also took time out for Dramatic club in his junior year. Aside from this, he is interested in trapshooting and Riding club. Stamp collecting is another of his hobbies.

COPPERDOME

MARTHA SCHREIBER

Martha, since she entered Shorewood in '38, has planned to go into the nursing profession and has built her extra-curricular program around that aim. When a sophomore she took a Home nursing course, and the following year became a Hospital aide. Her senior activities included Hospital aides again and an added activity, Life Saving.

GEORGE SCHUETT

George enjoys mechanical drawing and has displayed his ability by lettering the names for the school honor roll. Besides his mechanical drawing ability, George has also done outstanding work in the field of woodworking. On the side line he spends a great deal of his time making model airplanes, hunting up north, or fishing at any lake.

RICHARD SCHUETTLER

Who says that music and athletics don't mix? Here's Dick who has participated in Band throughout all his years at Shorewood, and still professes that his hobby is sports. "Tucks", as he has been nicknamed, has displayed a constant interest in all school events since entering Shorewood from Lake Bluff.

JUNE SELLMANN

"Jo" probably sang at Green Tree school before 1940 when she came to Shorewood, but when those Hollywood talent scouts discover her, we want the credit. June's main interest is singing and she's been a valuable asset to Mixed chorus for four years. In her senior year, she joined Girl Reserves and Home Economics club.

POLLY SENG

Polly, the girl with the friendly smile, can be seen around Shorewood almost any time when she isn't participating in her hobby, which is training her own horses. She was in Dramatic club during her sophomore and junior years but has devoted her time in her senior year to the light board back stage.

MARY LOU SERNAU

Winning prizes in art is no trick for Mary Lou, but most of her extra-curricular time was devoted to Dramatic club, where her part of Fannie Willoughby in the classic will long be remembered by everyone. Two years of block captains and one of Home Economics club added to her well rounded program.

CAROLYN SHEETS

The gal with a sense of humor, that's "Skeets." Anything connected with water hits a high note with her. She entered in '42 from Marshalltown, Iowa. Band, Orchestra, Leaders club, Mixed chorus, Social chairman, Copperdome, lifesaving, monitors, Girl Reserves, and National Honor composed her extra-curricular program.

JAMES SHELLOW

"Greasy" entered Shorewood in 1940 from State Teachers normal school. Known as "the phantom of the Ripples office", Jim served as managing editor during his senior year and was awarded the Quill and Scroll. He also found time for three years of Camera club, and a year each of Science and Math clubs.

SENIORS

JEANNE SHELTON

Jeanne is the dark haired girl who left St. Mary's school in South Dakota to enter Shorewood in her senior year. Interested in dramatics, Jeanne joined this club soon after entering here. Her hobby, collecting charms and trinkets, is something different from the ordinary but Jeanne goes for it in a big way.

ANNE SLOSS

No sir, Shorewood high school would not be complete without "Abbie" to add to its gaiety. Always smiling and hoping for the best, Annie fits right into the swing of things with Dramatic club, Hall monitors, and Girl Reserves to her credit. Nurses aide group also has Anne as a very competent member.

LOUISE SMITH

In her first two years as a senior high student, after entering from Atwater grade school, Louie was a member of Sports, and from her sophomore year on, she was a loyal participant of A Cappella choir. "Smitty" is the quiet blond type who doesn't say much, but she has proven that all her comments are worth while.

ROBERT SMITH

Senior class president, letterman in both football and swimming, and Student Council in his freshman year describes no person better than Smitty. A "super special" Shorewoodite, Smitty certainly has what it takes to hold the friendship and loyalty of the entire student body. Bob definitely rates "Tops" with everyone.

ALFRED SOTO

He's a Latin from Whitefish Bay high. Senor Soto entered Shorewood in the middle of his junior year, so he hasn't had time to really get into any extra-curriculars. While at the "Bay", Al took part in some very "un" Spanish activities including track and basketball. His hobby is strictly international—stamp collecting.

JOAN SPENCE

Curly hair, dimples and always a smile, that's Joanie. The choir wouldn't sound right without her, for she's been a prominent member since 1940 when she left St. Roberts. In her senior year she became a Ripples reporter. Joan's pep, vim, and vigor won a place here and she's bound to get along..

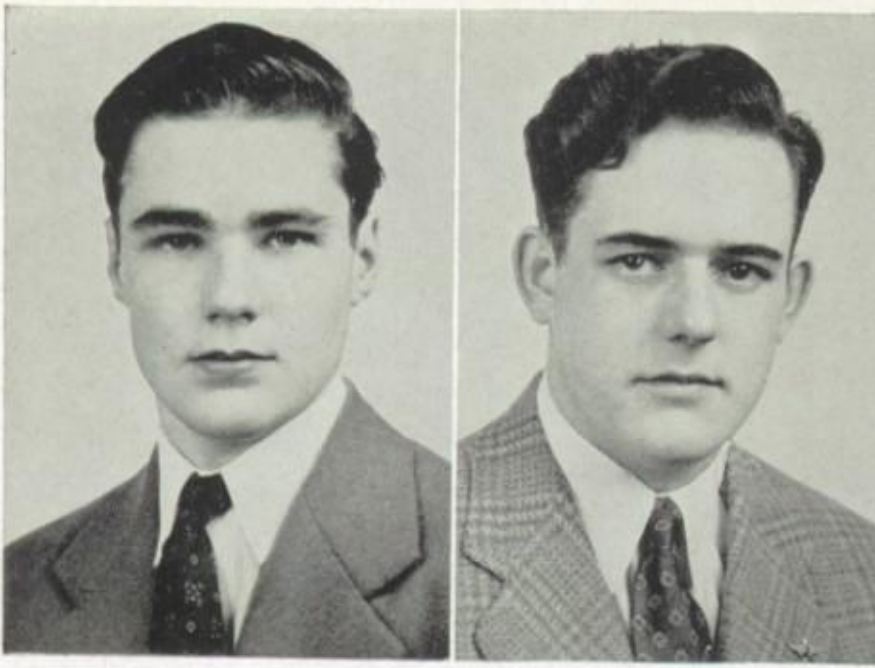

MACKEY SPERO

"Sam" the quiet fellow you've been seeing around Shorewood for the past six years. Don't let his appearance fool you, for he's made quite a noise tooting a clarinet in Band. He has also participated in football and basketball since a freshman. When not engaged in sports, Max is participating in his hobby of match making.

HAROLD STANFIELD

Ask anyone who knows Harold and he's sure to say, "Oh, he's one of the best!" Quiet and amiable, Harold had no trouble in making friends when he entered Shorewood high school. Although he hasn't participated in many extra-curriculars, his time has been devoted to the pipe organ at which he has become proficient.

FRED STAUNTON

Fred entered Shorewood in his freshman year from State Teachers Training school and, wishing to get into things, he joined Camera club which he continued through his junior year. This didn't take up all his time, for his hobbies are hunting and photography. He also delights in tinkering with old cars.

IRVINE STEIN

Irv not only displays swell school spirit, but also shows genuine patriotism. Shorewood is still talking about the fine job he did to promote the sale of stamps and bonds this past year. As a sophomore and junior, Irv lent his fun-loving self to dramatics and football. For recreation, he turns to fishing.

SUZANNE STEIN

Sue entered the Shorewood high school corridors in 1938, when she came from Atwater grade school. As a sophomore she joined Girl Reserves and has been a faithful member for three years. Home Economics club, Sports, and Riding club take up Sue's extra time. Horseback riding is her favorite hobby.

ALVIN STEINMAYER

Tall, nonchalant, and interesting, that's Al. Ask him a question on any subject and you'll get your answer in his informal and unique styles. His choice of extra-curriculars included one year in Camera club, three in wrestling, three in track, one in Student Council, and two on the cross country team.

BETTY STEUER

"Stinky" is that busy little Shorewoodite who has really found a place in school life. Choir, Girl Reserves, monitors, social chairman, and a member of Student Council shows the well rounded extra-curricular program Betty has kept up. Reading and dancing till all hours takes up her out-of-school time.

RAY STOLZ

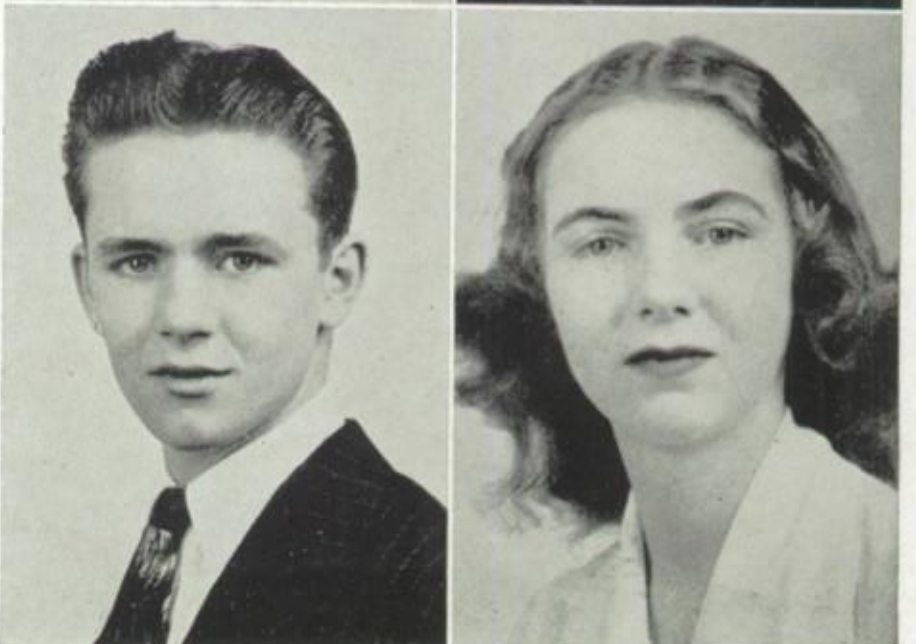

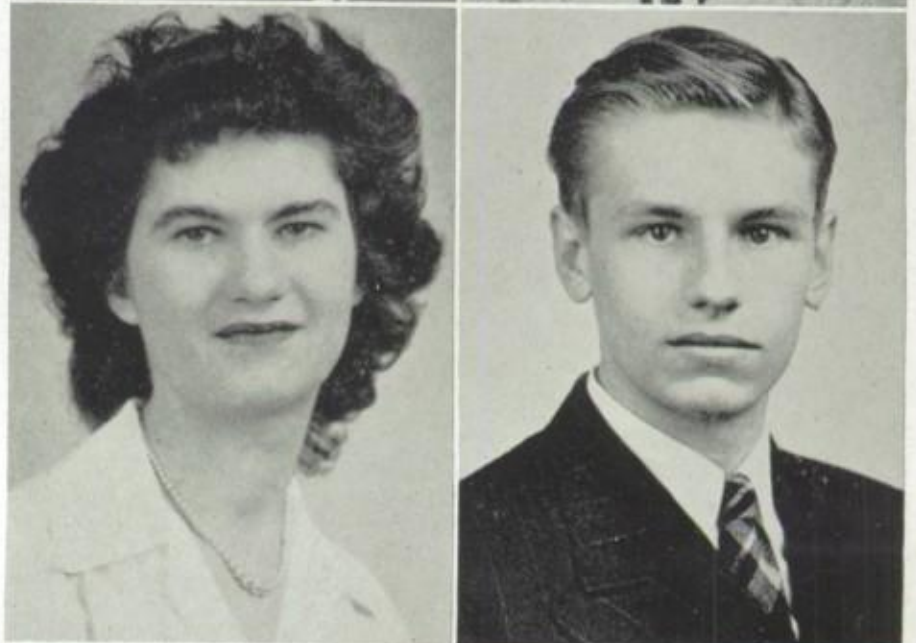

"Photography and radio specialist" is "Bud's" title for he is an authority on both. Ray has been snapping pictures for the Camera club for two years and has participated in Radio club the same period of time. Three years of Copperdome business staff, climaxed by business manager in his senior year, round off "Bud's" active curriculum.

ROBERT SULLIVAN

Since entering as a sophomore, "wisecracking Sully" has devoted his extra-curricular time to sports. In three years he has gained four letters as guard on the hardcourt and halfback on the gridiron. Building and Grounds and Student Council rounded out his program. "Sol" claims his hobbies are music and knitting.

MONA JEAN TAUGHER

Mona Jean entered Shorewood high school in her sophomore year and jumped right into the thick of school life by joining Dramatic club and Girl Reserves, of which she was elected treasurer in her senior year. She has taken an interest in Home Economics club, Copperdome staff, civilian defense, and social chairman too.

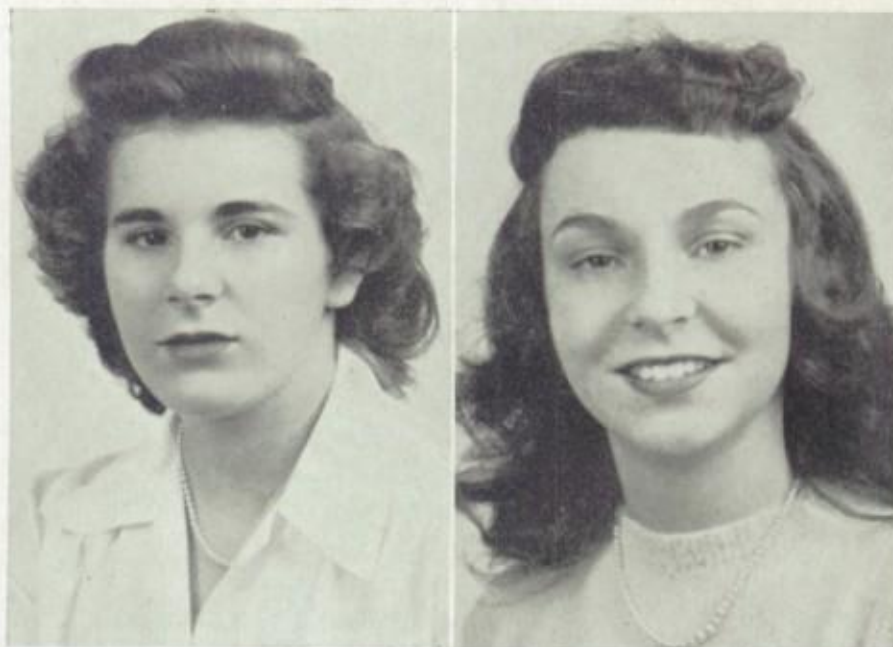

SENIORS

MARY ANN TEWELES

Entering in her sophomore year from Milwaukee University School did not hinder "Mat" from fitting into Shorewood's extra-curriculum, with Dramatic club, Hall monitors and Home nursing to her credit. Though she is small in stature her personality makes up for everything. Swimming and popular piano rate highest with "Mat."

MARILYN THORNBERRY

When one hears Marilyn's name it is usually connected with music of some sort. Either she is in Orchestra playing her violin or in Band playing the drums or marimba. Perhaps she is in both places, but wherever she is her ability stands out above all else. Hall monitors also took up Marilyn's time.

NANCY THRONE

"Dex," hailing from Riverside high, really dug in with Band, Orchestra, Girl Reserves, Home Economics, and Dance clubs. Jitterbugging to the hottest music, galloping on a horse or swimming a fast crawl shows the hurried life that Nancy lives. Making friends comes naturally to "Dex," as she has found many at Shorewood.

BETTY JANE THWAITS

"Thwaitie" is that busy little red head who has really found a place in Shorewood life. Entering in seventh grade, she joined dramatics, where she received a Dragon in her junior year. Betty was also elected to National Honor and to the cabinet of Girl Reserves. She served as a major for the block captain corps too.

SUZANNE VONIER

Sweet Sue, one of the best liked girls at Shorewood, was a valued member of chorus and Sports for four years, and of monitor for two years. "Souvenir's" domestic and patriotic instincts evidence themselves in her hobby of sewing, and through her fine work in a Hospital aide group, Home nursing, and civilian defense.

DONALD WALIGORSKI

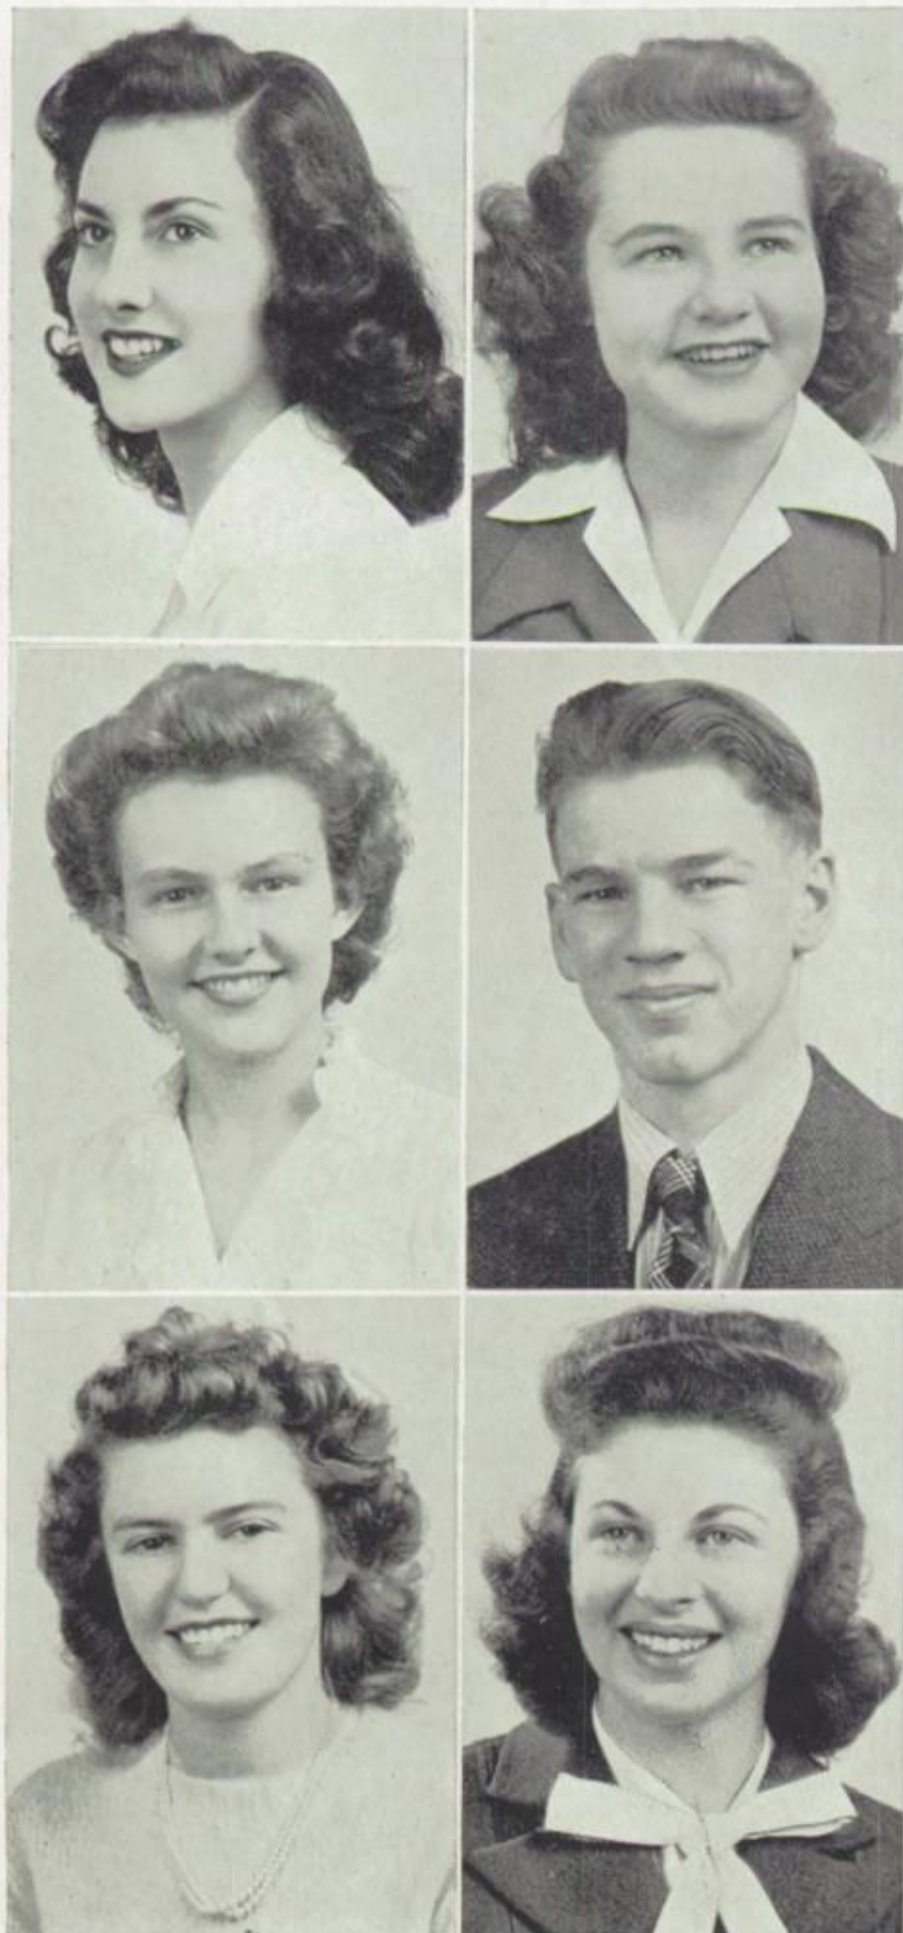

Don entered these halls of Shorewood high as an eighth grader from St. Casimirs. A huge victory garden and hunting occupy much of his spare time. He is always capable of making a bright remark in answer to someone's statement, which shows he has a swell sense of humor and can get along with all types of people.

MARGARET WALSH

Maggie has been on the Shorewood campus for six years and is recognized by her easy smile and blue eyes. She has always loved music and consequently Orchestra and choir have been her extra-curricular activities since she was a freshman. Even in her spare time, Maggie enjoys music as her special hobby.

MYRA WEIL

Myra's the newly arrived Shorewoodite who's really been around, for, before coming to Shorewood, she lived in Chicago, New York, and Boston. Because she enrolled in February, Myra didn't have much opportunity to join school activities, but she does find time for writing poetry, reading, and dancing, which are her favorite hobbies.

ALYCE WEISBACH

From Custer high to Shorewood high in her junior year, "Giggles" came with the ambition to become a dress designer. Even though she didn't join any extra-curriculars Alyce added her bit during her school hours. Blond haired and full of fun, Alyce left in February to try her hand at dress designing.

AUDRIENNE WEISS

Fairly bubbling over with enthusiasm and ambition, "A" bustled to Shorewood from Peckham high, spreading her good cheer and love of fun all the way. Dramatic club claimed her membership for three years. Ripples, Girl Reserves, and the library boasted her services for one year each. Audrienne's hobbies are writing and knitting.

RALPH WELTON

"Pork" can usually be seen snaring passes on the gridiron, dashing around the cinders, or piling up points for the Crimson Courteers. Even though all-suburban in his senior year, Ralph found time for other extra-curricular activities which included choir, Student Council, and social chairman.

ROBERT WENDORF

Wendy entered Shorewood in his freshman year and started his athletic career that winter. After playing freshman basketball, he became a familiar player on greyhound gridiron teams for three years, earning his letter during his senior year of competition. Wendy also found time as a senior to work with the Hi-Y.

KENNETH WHEELER

Ken's lanky stature was first seen on our campus in 1940 when he entered from Rochester, New York. Swinging out into extra-curriculars, he was soon tooting the trombone in line with his hobby of record collecting. Ken's other outside activities included timber-topping on the track team, and working on stage crew.

DOROTHY WHITTET

"Sis" with her blond hair and pleasant attitude has always helped to make things more cheerful. Dorothy's high school program has shown a sporting trend. Active as a leader in Sports, Life Saving club and excelling in tennis, "Sis" was also a member of the Copperdome staff, dramatics, choir, and Girl Reserves.

CORENE WILCOX

Her flying fingers on the piano and flying feet in Sports gives "Corky" away. Small, blond, and typically a "Fan", Corene has centered her interests around Sports and Girl Reserves. During her senior year, Corky gave most of her time to the Student Attitude Committee but joined choir to complete her program.

JOAN WINKLER

Winkie, tall and slender and possessing a friendly smile, has gone to Shorewood schools all her life. Entering from Atwater grade school, she joined dramatics, German club, Sports and Dance club in her freshman year. Rounding out her activities, Joan has been a two year member of Girl Reserves.

SENIORS

JOAN WINTER

Dancing, as her main interest and hobby, claims most of "Winnie's" time. She has participated in Home Economics club and Hall monitors, while the Dance club recognized her four years of good service by electing her president. Joan also has been an active member of Dramatic club since her freshman year.

RICHARD WITTMANN

Curly-headed "Witt" was one of a large aggregation of students entering en masse from St. Roberts in 1940. Dick is really solid, for he is usually seen "sending" his friends through his torrid beating on the skins, as he follows his hobby of drumming. Dick entered extra-curriculars in his senior year by joining Dramatic club.

MARK WILLIAMS

Mark arrived on the Shorewood high school scene from St. Roberts grade school in his sophomore year. He purposely avoided extra-curriculars because he has spent all of his free time working. An outstanding sportsman, Mark's favorite hobbies are hunting and fishing at which it is rumored he is very good.

AUDREY WUESTHOFF

Whenever "Audy" joins any extra-curricular, she stays with it. Proof of this is her place in the clarinet section of Band for four years and a member of the same section in Orchestra for three years. Block captain, a member of National Honor Society, and typing corps complete an enthusiastic girl's curriculum.

RUDY WOLTER

A faithful Shorewoodite can be said of Rudy who entered here from Lake Bluff grade school. To show a well-rounded program, he gave all efforts for World Citizenship club, swimming team, where he has earned two letters, and a faithful Ripples reporter. Camping and fishing take up Rudy's vacation time.

JOHN YOUNG

"Tiger" Young knows what he wants. Always "roaring" in the field of athletics, John is a regular Shorewoodite, for his grade school days were spent at Lake Bluff grade school. Football, basketball, track, and choir are his choice for really a "solid" all around program. He is definitely a "mellow" fellow.

DETTY ZIEN

"B.Z." is the gal with personality plus and a smile for everybody. Her time was spent in the following activities, four years of Dramatic club and sports, three of Girl Reserves, and one year of lifesaving and Student Council. As her hobbies, "B.Z." claims dancing, swimming, and all types of sports.

JAMES BRADLEY

In 1939 Jim entered from Decatur, Illinois and soon became known as a likable fellow. Claiming a varied list of activities, he was a member of Dramatic club and cross country for two years, and Ripples staff for one. Jim spends his spare time hunting for pheasants or shooting down deer in our north woods.

MARIE HELMS

1940 marked "Mutzies" departure from Sunnyside and entrance to Shorewood. Her musical interests led her to join Mixed chorus and she has been a steady participant throughout her high school years. Besides taking an active interest in playing the piano, Marie spends some time "cutting capers on the ice."

EVELYN JOHNSON

"Boo" as Evelyn is called for no particular reason, left Escanaba high school in Michigan to enter Shorewood's gates in her senior year. "Boo" immediately joined choir which takes up most of her extra time. As her recreations Evelyn prefers piano, hiking, tennis, and collecting poems.

ROGER KUEHL

Roger waited until his sophomore year before joining any extra-curriculars and then became a member of Math club. The following year found him on the golf team where he attained a letter. Rog may often be found slapping out boogie woogie on the piano or indulging in his other hobby of reading.

GLORIA ANN LEGLER

Have you ever turned on the radio and heard "Legs"? Claiming the avocation of radio broadcasting and script writing, Gloria spent much of her time at the studio. Since entering from Lake Bluff in 1938, she has been in Home Economics club and Sports during her freshman and sophomore years and choir during her senior year.

CALVIN MILLS

Cal is the fellow who attended Shorewood for four years and managed to evade the entire extra-curricular program. He nevertheless spent considerable time on his hobbies of woodworking, mechanical drafting, and puttering around on an old car, in which he takes a great deal of pride.

RICHARD PLATEK

Entering our campus in the fall of '40, Dick soon became known for his likable personality. Concerned with winning the war, Plat held down a defense job in the afternoon while in the mornings his extra-curricular time was spent in Dramatic club. By-passing his hobby of aviation, Dick enlisted as a gub in his senior year.

RICHARD SCHOLZ

Richard, otherwise known as "Scholze" entered Shorewood high school from Craig school in Wauwatosa in the ninth grade. When the urgent call was made for more war workers, Richard decided to "heed the call" and supplement his studies by working in a defense plant. Such strenuous and important work takes up all of his extra time.

THOMAS SCHULTZ

"Butcher" Schultz is the type of fellow that makes a school "tick." Always willing to help the other person, Tom divided his time between Dramatic club and sports since entering from Lake Bluff. A tennis enthusiast, "Butcher" found extra minutes to spend on the tennis court or to help out on the stage and light board.

ALLEN SHORER

Al is one of our boys who left us this year to join a bigger school, Uncle Sam's Navy. Science and radio clubs were his main interests and he set his course in that direction in the Navy. Choosing his activities for their usefulness, he was a member of Science and Radio club since ninth grade.

Among the former members of our class who are now serving in the armed forces are:

Dear Shirley

Well Shirley, now that I got to know you at last.
Remember the first time I took you out, and we went
to the Opera as something like that. There all water
under the bridge. But somehow we got messed up
after that party at that girl's house. But maybe
next year it will be different. Next year I will be
a senior and you a junior.

Good Luck in the future
years at Shorewood.
